

## **SEVCA Still Offering Furniture, Clothing and Housewares for Irene Relief**

Since October, SEVCA has had a warehouse location to receive, house, and distribute donations of furniture, clothing (including winter clothes), linens, and household goods for families and individuals who have been impacted by Tropical Storm Irene.

The site has been distributing donated items (although is no longer accepting them), on Tuesdays from 8:00 a.m. until noon, as well as 4:45 to 6:00 p.m.; and on Thursday afternoons from 2:00 until 6:00 p.m. Other times may be possible by special arrangement, if needed.

People in need of these household items, should call in advance to make arrangements and receive directions to the site. To schedule a time, or for more information, please contact SEVCA at (802) 722-4575 or toll-free at (800) 464-9951.

**Time is limited, the warehouse will close in mid-  
March.**
